

FERRY PLAZA FARMERS MARKET BINGO

Grade level: 2-3

Instructions:

Each student will need a pencil and a clipboard (or a piece of cardboard with a rubber band to hold the paper). Give one bingo sheet to each student.

Students should be divided into small groups, each with a chaperone. The chaperones may need to assist the students in completing the bingo sheet.

For a shorter activity, students must fill in three squares in a row (horizontal, vertical, or diagonal) to make a "bingo." For a longer activity, students must get a "blackout:" all squares must be filled in.

If desired, the teacher may give a prize for completion, such as farmers' market fruit.

Name: _____

FERRY PLAZA FARMERS MARKET BINGO

<p>1. What season is it now?</p> <p>_____</p> <p>List 3 fruits that are available at the farmers' market right now.</p> <p>_____</p> <p>_____</p> <p>_____</p>	<p>Find a fruit or vegetable you like.
